

§ 37.6 Compliance with core principles.

(a) *In general.* To maintain registration as a derivatives transaction execution facility upon commencing operations by listing products for trading or otherwise, or for a dormant derivatives transaction execution facility as defined in § 40.1 of this chapter that has been reinstated under § 37.5(d) upon recommencing operations by relisting products for trading or otherwise, and on a continuing basis thereafter, the derivatives transaction execution facility must have the capacity to be, and be, in compliance with the core principles of Section 5a(d) of the Act.

(b) *New and reinstated derivatives transaction execution facilities—(1) Certification of compliance.* Unless an applicant for registration or for reinstatement of registration has chosen to make a voluntary demonstration under paragraph (b)(2) of this section, a newly registered derivatives transaction execution facility at the time it commences operations, or a dormant derivatives transaction execution facility as defined in § 40.1 of this chapter at the time that it recommences operations, must certify to the Commission that it has the capacity to, and will, operate in compliance with the core principles under Section 5a(d) of the Act.

(2) *Voluntary demonstration of compliance.* An applicant for registration or for reinstatement of registration may choose to make a voluntary demonstration of its capacity to operate in compliance with the core principles. Such demonstration may be included in an application submitted pursuant to § 37.5 of this part.

(i) The demonstration would include the following:

(A) The label, “Demonstration of Compliance with Core Principles for Operation”

(B) A document that describes the manner in which the applicant will comply with each core principle (such as a regulatory chart), which could cite to documents previously submitted including documents submitted pursuant to § 37.5(b)(1)(ii)(A)–(E); and

(C) To the extent that any of the items in § 37.5(b)(1)(ii)(A)–(E) raise issues that are novel, or for which compliance with a core principle is not

self-evident, an explanation as to how that item and the application satisfy the core principle.

(ii) If it appears that the applicant has failed to make the requisite showing, the Commission will so notify the applicant at the end of that period. Upon commencement or recommencement of operations by the derivatives transaction execution facility, such a notice may be considered by the Commission in a determination to issue a notice of violation of core principles under Section 5c(d) of the Act.

(c) *Existing derivatives transaction execution facilities—(1) In general.* Upon request by the Commission, a registered derivatives transaction execution facility shall file with the Commission such data, documents and other information as the Commission may specify in its request that demonstrates that the registered derivatives transaction execution facility is in compliance with one or more core principles as specified in the request or that is requested by the Commission to enable the Commission to satisfy its obligations under the Act.

(2) *Delegation of authority.* The Commission hereby delegates, until it orders otherwise, the authority set forth in paragraph (c)(1) of this section to the Director of the Division of Market Oversight or such other employee or employees as the Director may designate from time to time. The Director may submit to the Commission for its consideration any matter that has been delegated in this paragraph. Nothing in this paragraph prohibits the Commission, at its election, from exercising the authority delegated in this paragraph.

(3) *Change of owners.* Upon a change of ownership of an existing registered derivatives transaction execution facility, the new owner shall file electronically with the Secretary of the Commission at its Washington, DC, headquarters, a certification that the derivatives transaction execution facility meets the requirements for trading and the criteria for registration of Sections 5a(b) and 5a(c) of the Act, respectively.

(d) *Guidance regarding compliance with core principles.* Appendix B to this part provides guidance to registered derivatives transaction execution facilities

§ 37.7 Additional requirements.

(a) *Products.* Notwithstanding the provisions of section 5c(c) of the Act and § 40.2 of this chapter, derivatives transaction execution facilities need only notify the Commission of the listing of new products for trading, posting of new product descriptions, terms and conditions or trading protocols or providing for a new system product functionality, by filing with the Secretary of the Commission at its Washington, D.C. headquarters, a submission labeled “DTF Notice of Product Listing” that includes the text of the product’s terms or conditions, product description, trading protocol or description of the system functionality or by electronic notification of the foregoing at the time traders or participants in the market are notified, but in no event later than the close of business on the business day preceding initial listing, posting or implementation of the trading protocol or system functionality.

(b) *Material modifications.* Notwithstanding the provisions of Section 5c(c) of the Act, registered derivatives transaction execution facilities need not certify rules or rule amendments under § 40.6 of this chapter, and must only notify the Commission prior to placing into effect or amending such a rule, (as defined in § 40.1 of this chapter):

(1) By electronic notification to the Commission of the rule to be placed into effect or to be changed, in a format approved by the Secretary of the Commission, at the time traders or participants in the market are notified, but (unless taken as an emergency action) in no event later than the close of business on the business day preceding implementation. The submission notification shall be labeled “DTEF Rule Notices” and shall include the text of the rule or rule amendment (with deletions and additions indicated). *Provided, however,* the derivatives transaction execution facility need not notify the Commission of rules or rule amendments for which no certification is required under § 40.6(c) of this chapter.

(2) The derivatives transaction execution facility must maintain documentation regarding all changes to rules, terms and conditions or trading protocols.

(c) *Voluntary request for Commission approval of rules or products.* (1) A board of trade or trading facility seeking to be registered as, or registered as, a derivatives transaction execution facility, may request that the Commission approve under section 5c(c) of the Act, any or all of its rules and subsequent amendments thereto, including both operational rules and the terms or conditions of products listed for trading on the facility, prior to their implementation or, notwithstanding the provisions of section 5c(c)(2) of the Act, at any time thereafter, under the procedures of §§ 40.5 or 40.3 of this chapter, as applicable. A derivatives transaction execution facility may label a product in its rules as, “Listed for trading pursuant to Commission approval,” if the product and its terms or conditions have been approved by the Commission and it may label as, “Approved by the Commission,” only those rules that have been so approved.

(2) Notwithstanding the forty-five day review period for voluntary approval under § 40.3(b) of this chapter, the operating rules and the terms and conditions of one product submitted for voluntary Commission approval under § 40.3 of this chapter, that has been submitted with, and at the same time as, an application for registration as a derivatives transaction execution facility, will be deemed approved by the Commission thirty days after receipt by the Commission, or at the conclusion of such extended period as provided under § 40.3(c) of this chapter.

(3) An applicant for registration, or a registered derivatives transaction execution facility may request that the Commission consider under the provisions of section 15(b) of the Act any of the derivatives transaction execution facility’s rules or policies, including both operational rules and the terms or conditions of products listed for trading, at the time of registration or thereafter.
